

Horizons of Innovation

EU RESEARCH COLLABORATION FORUM

5.12.2024. | Osijek

Invitations are extended to participate in the **Horizons of Innovation: EU Research Collaboration Forum**, scheduled for **December 5, 2024, in Osijek, Croatia**.

Forum will provide an **opportunity for researchers, industry professionals and representatives from various sectors** to engage in fruitful discussions, share expertise, and explore new project opportunities. Participants can expect to build their networks by connecting with European researchers and project experts while receiving guidance on crafting successful project proposals and learning from success stories that showcase the journeys behind winning Horizon projects.

Focus of the event will be on addressing challenges through collaborative research in the fields of **food, bioeconomy, climate change, and digitalization**.

How to Participate

- ✓ Mandatory registration.
- ✓ Participation is free of charge.

Reserve your place soon, as availability is limited!
